To take advantage of your mail order pharmacy service, all CareFirst and CareFirst BlueChoice members must register with Walgreens before you mail in a new prescription or request an existing refill.

There are 3 ways to register with Walgreens Mail Service:

On-line.

You may register via the Internet by visiting www.walgreensmail.com and selecting "Register On-line" on the left-hand side. Fill in the required information and submit. On-line registration may take up to 48 hours to become activated at Walgreens Mail Service. Once you have registered on-line, you may call Walgreens at (800)-745-6285 to order your prescription refills when needed. You will need to provide the following information:

Your Employer Name:	Employer Name
Prescription Benefit Provider:	CareFirst BlueCross BlueShield
Member ID Number:	Up to 10 digits found on your ID card
Group Number:	03000000
Mail Service Pharmacy:	Orlando, FL

By Phone.

Call Walgreens Mail Service at (800) 745-6285 to register. After registering by phone, you can ask the customer care representative to process your prescription refill, if needed. You will be asked to provide your credit card number for any applicable co-payment.

Please allow two weeks from the time you mail, fax or place your order until the time you receive your completed order at the address you specify.

Once you have ordered from Walgreens Mail Service, you'll have 4 refill options:

- ◆ Touch-tone: (800) 749-0009, 24 hours, 7 days-per-week
- ◆ Internet: www.walgreensmail.com/carefirst 24 hours, 7 days-per-week
- ◆ Mail: Send in a refill request slip provided in each order
- ◆ Telephone: Speak to a customer care representative at (800) 745-6285

By mail.

Complete the "Registration & Prescription Order Form" obtained from your Benefits Coordinator and submit to Walgreens Mail Service, along with any new prescription that you need filled.

Once you register with Walgreens Mail Service, you will have access to:

consulting pharmacists available by phone 24 hours a day

online refill ordering capabilities

an automated phone system to place orders, check account balances and make payments

email notification of order status

multilingual pharmacists
